

DORIAN.

“DORIAN is a modular sofa designed to create warm and welcoming living spaces.

Characterized by soft cushions, generous seats, and integrated elements, it offers a perfect balance between comfort and functionality.

The modular system allows multiple configurations, including chaise longue, pouf, and side tables, adapting naturally to different spaces and lifestyles.

Orfeo is conceived as a place to relax, read, meet, and live everyday moments in total comfort, expressing the contemporary spirit of Italian living.”
